

**From:** Frank Angrisano  
**To:** Microsoft ATR  
**Date:** 1/3/02 2:14pm  
**Subject:** Microsoft Settlement.

As a Microsoft product user I want the Justice Department to accept the agreement that has been mutually agreed upon. The hold out states should be ignored, as they seem to have an ulterior motive for not agreeing with the present settlement.

As a product user I have never felt that Microsoft has taken advantage of me or that I have paid an excessive price for any of their products.

Sincerely,  
Frank Angrisano
